

THOUSANDS HAVE KIDNEY TROUBLE AND NEVER SUSPECT IT

Applications for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmor's Swamp-Root is soon realized. It stands the highest for its remarkable record of success. An examining physician for one of the prominent life insurance companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmor's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmor & Co., Elmhurst, N. Y., for a sample bottle. When writing be sure and mention the Norwich Bulletin.

Smith Outpoints Martin.

Cleveland, Ohio, Jan. 26.—Sergeant Ray Smith of Camden, N. J., outpointed Bob Martin of Akron, A. E. F., champion, in a slashing ten round boxing bout here tonight, winning the newspaper and ring-side critics' decision.

Smith won five rounds, Martin three and two were even. Each boxer scored a clean knockout.

O'Dowd Knocks Out Fisher.

Syracuse, N. Y., Jan. 26.—Mike O'Dowd of St. Paul knocked out "Young" Fisher of this city in the third round of a scheduled ten round boxing bout here tonight. O'Dowd was complete master from the start.

Young Bob Fitzsimmons Wins Second Bout

Jersey City, N. J., Jan. 26.—Young Bob Fitzsimmons, world champion, scored a decisive victory tonight in his second appearance in the ring, opponent, Eddie West of Nevada, quit in the seventh round of an eight round match after receiving a continual rain of blows from the start of the bout. Fitzsimmons weighed 171 pounds and West 163.

Young Bob engaged in his first real contest almost thirty years from the date his famous father won the midweight title from Jack Dempsey, the "nonpareil." The young fighter resembled the former champion in the face and by his clever footwork but the similarity did not go as far as his punches which lacked force.

Fitzsimmons, who was in splendid condition, forced the fighting at a terrific pace and sent in blows so quickly that West did not get a chance to start a good union, relying mainly on wild swings. These were easily blocked or dodged. Although Fitzsimmons did not use his right with effect until the sixth round, the referee showed an inclination in the fifth to halt the contest as West seemed somewhat groggy. West protested and the bout went on to the seventh, when West retired. The loser's left eye closed after the third round from hard left jabs and hooks.

Jackie Clark of Allentown outpointed Tommy Robson of Boston in every round of eight round bout. Each weighed 150 pounds.

Gene Tunney of New York, light heavyweight champion of the A. E. F., held in Cleveland August 23-25, it was announced here tonight by Stoney McLean, secretary-manager of the association. Trapsporters from all states in the Cleveland area are expected to participate in the contests.

Mickie Delmont of Newark knocked out Johnny Butt of Newark, who recently fought a hard bout with Jack Sharkey. Butt won the first round but went down for a count of nine in the second from a right uppercut and was counted out after receiving three left hooks. Delmont weighed 120 pounds and Butt 115.

TRAPSHOOTING TOURNEY TAKES PLACE NEXT AUGUST

New York, Jan. 26.—The Grand American Handicap tournament of the American Trapshooting association will be held in Cleveland August 23-25, it was announced here tonight by Stoney McLean, secretary-manager of the association. Trapshooters from all states in the Cleveland area are expected to participate in the contests.

HARVARD WANTS HENLEY REGATTA DATE SET AHEAD

Cambridge, Mass., Jan. 26.—An informal request has been sent to England that the dates of the English Henley regatta be advanced a week so that Harvard university may send a crew to defend the Yale trophy. The request was made by the Harvard Club, it was learned today. The request was contained in a letter from a man closely in touch with Harvard rowing and was addressed to an English rowing enthusiast whose interests are associated closely with the Henley regatta.

It was pointed out that with the regatta now scheduled to begin June 30, Harvard, which holds the cup through the victory of its crew in the last Grand Challenge, would have no time to send a crew to England after the Yale-Harvard regatta at New London June 25, Yale, according to the latest news, is considering the matter of challenge.

FINANCIAL AND COMMERCIAL

MARKET WAS SLAGGISH.

New York, Jan. 26.—Stocks were sluggish and uncertain of trend at the start of today's session, but improved in all markets except the railway list later to the discomfiture of an obstinate short interest.

Many of the day's material gains were registered recently under the aegis of the day's progress to higher levels. The upturn collapsed in the afternoon as the market was again dominated by the British, French, Italian and many minor resistance to discount considerably under heavy offerings of bills again emanating from London.

Prices were at maximum quotations in the last hour, the only active period of the day, regardless of the money's rise from 7 per cent. the initial rate, to 10 per cent. In the main final quotations were three points under highest levels, in consequence of profit taking. Sales amounted to 75,000 shares.

Domestic feature was the strength and activity being shown by Crucible and Republic Steels, Baldwin Locomotive, Mexican-American Sugar, Petroleum, Texas Company, General Motors, Chandler, Studebaker and the rubber accessories at extreme gains of 3 to 3 1/2 points.

Food, paper, textile, metal and utility issues helped to swell the movement at advances of one to three points. Cuban-American Sugar, incidentally gaining 10 points net.

Liberty bonds rallied slightly, international issues eased and most domestic issues advanced. Values were irregular. Total sales, par value, aggregated \$11,750,000. Old U. S. bonds were unchanged on call.

WESTERLY

The Westerly legislative delegation is just now more interested in the contest for judgeship on the supreme court bench than in any act of constructive legislation. All Westerly has been interested in Judge John V. Sweeney, of the superior court, is a native of the town and candidate for promotion. The republican members will hold their caucus Wednesday, and the grand committee elected is to follow Thursday. The contest between Judges Sweeney and Barrows continues to the limit. The party leaning toward Judge Sweeney will abide by the decision of the caucus, and Judge Barrows has made a like declaration.

A report from the Sweeney camp claims that he will receive 53 votes in the caucus, without any support from the Newport delegation. Managers of the Barrows' campaign claim at least 54 votes, which would be ample to prevail in the caucus choice.

The democratic candidate named no candidate for a three-cornered fight and take the democratic vote away from the republican candidate.

Walter Wright, 52, died Sunday afternoon with pneumonia. He was known in Westerly as past grand chancellor of the Knights of Pythias of Rhode Island, and foreman of the pattern storage of the Brown & Sharpe company for the past twenty-six years.

Mr. Wright was born in Belfast, Ireland, and came to America in 1891. He was a member of the First Wesleyan church, and a member of the Brown & Sharpe Relief association, member of Garfield Lodge, Knights of Pythias, and What Cheer Lodge of Masons.

Many employees of the Westerly Textile company and other friends and relatives attended the funeral of Joseph B. Morse, overseer of the twinning department of the mill, who was electrocuted while at work last Monday night. There were beautiful floral tributes, including designs from the company and employees.

The services were conducted by Rev. Edmund J. Clevehead of Christ Episcopal church and Rev. Philip A. Sailer of the Broad St. Baptist church. Burial was at River Bend. The mill suspended operations during the funeral hours.

Westerly schools are planning for the annual observance of Grand Army Flag Day (Rhode Island's observance) by the Westerly schools. The custom of the schools throughout the state, and the Westerly schools, there will furnish the material for Flag Day exercises. Commissioner of Schools Walter E. Ranger has issued the following order to the schools:

To the Boys and Girls of Rhode Island Schools: You live in a rare time for gaining citizenship knowledge and for learning to be citizens of school and country, the very things the schools teach. In helping to win the war for humanity you have done your duty as citizens.

There will be a meeting of the Trolley Junior League Wednesday, Jan. 28 at 8 o'clock in the Baltic clubhouse. Gamblers, Dare Devils, White Sox and Bantams are expected to attend.

ACES WISH TO MEET LONG TEAM.

The Baltic Aces came forth with a challenge to the Long Speed Boys of Danvers for a game next Friday night. The Aces have beaten every-

thing nearby and now want to conquer the up-state boys. Arrangements can be made by calling the Baltic drug store.

Cardinals Can't Play Biscuits. Manager Tilly of the Greenville Cardinals stated Monday evening that his team would be unable to meet the Taftville Bears at Parish hall this evening.

A Challenge. The amateur bowling team of Plainfield would like to bowl any team in the surrounding towns. Any team wishing games should notify Ernest Allard, Plainfield, Conn.

BASEBALL NOTES. Tigers and Braves are to play fifteen exhibition games on their joint trip northward this spring. At one of the exhibition towns, Bluefield, Louisiana is sending two players back to the major leagues who formerly failed to stick in the "big show." They are Frank Davis, pitcher, who has been purchased by the Browns, and Tim Hendry, outfielder, a one-

time Yankee for whose services several clubs are bidding.

Club owners of the Pacific Coast league have suggested a "rogues gallery" of baseball gamblers as a means of suppressing professional betting at the ball parks. They would have clubs all over the country close the gates to men known to be professional gamblers.

As it now stands the Brooklyn club has a wealth of infield candidates and not an extra outfielder, and Wilbert Robinson is already thinking of developing one of the infielders, probably Douglas Baird, into an outfield regular.

During thirteen years as a major league ball player, Ed. Konetchy, of the Dodgers, has led the league six times as a fielding first baseman. In 1911 and again in 1918 he took part in the largest sumo game ever played by his club.

An idea of why Col. Ruppert and Huston bought Babe Ruth from the Red Sox for the largest sum paid for a player in the history of baseball will be gained when some statistician comes along with a record of the runs batted in during 1919. A hasty survey of the American league records shows that Ruth drove in more than 100 runs. No other American league batsman approached those figures during 1919 and Ruth undoubtedly led the majors in pushing across tallies.

Sam Agnew, catcher of the Washington Senators, has been released to the San Francisco club, of the Pacific Coast league, in return for which Clark Griffith gets an option on certain players of the coast club.

Judging from the size of the guarantees offered by Southern towns, major league clubs will take more money out of Dixie this spring than in any previous training period.

Roy Mitchell pitched only one game for Cincinnati last season and lost it, yet he drew something like \$5,000 as his share of the world's series besides his regular salary. Now he has been sold to the Sacramento club.

Tris Speaker, Cleveland's manager and outfielder, was the only major leaguer to score five runs in a game. He did that at the Polo ground on August 11, when the Indians defeated the Yankees 15 to 9.

Will Be Watched. The plan of the four big brotherhoods to squeeze out the middlemen and reduce the cost of living will be watched with interest by the nationwide sisterhood of thirty housewives.
